

OFFICIALS GIVE APPROVAL TO CITY HALL PLAN

Only Few Changes in Proposal Are Recommended by Conference

Plans for arrangement of the new city hall building, which will be located at the corner of Main and Third streets, were approved by a conference of city officials held Thursday afternoon. The plan, submitted by the architect, William R. Martin, of the City of Marion, Ohio, was approved with only a few minor changes. The plan provides for a building of approximately 100,000 square feet, with a central tower and a series of wings. The building is to be constructed of brick and stone, and will cost approximately \$1,000,000. The plan was approved by the following officials: Mayor J. W. Thompson, City Engineer Grant L. Moore, City Auditor James W. Thompson, and a representative of the Board of Public Works. The plan will be submitted to the city council for final approval.

TOLEDO CLUBBER AGAIN ATTACKS SCHOOL GIRL

TOLEDO, Nov. 12.—The Toledo Clubber, who has been attacking school girls, was again arrested today by the Toledo police. The clubber, who is a member of the Toledo Club, was arrested after being caught in the act of attacking a school girl. The clubber was charged with assault and battery. The school girl, who is a member of the Toledo School, was injured in the attack. The clubber was released on bail and is expected to appear in court tomorrow.

SCHOOL BOARD DIES

TOLEDO, Nov. 12.—The Toledo School Board, which has been in existence for many years, died today. The board was dissolved by the Toledo city council. The board was composed of several members, including the Toledo School Board President. The board was responsible for the management of the Toledo School. The dissolution of the board was a result of a long-standing dispute between the board and the city council. The city council has now taken over the management of the Toledo School.

URGES ROAD BE ALLOWED TO TAKE OVER L. & N. E.

Wagoner, Nov. 12.—The Wagoner Road, which has been in existence for many years, is being urged to take over the L. & N. E. Road. The Wagoner Road is a major thoroughfare in the city, and the L. & N. E. Road is a minor thoroughfare. The Wagoner Road is being urged to take over the L. & N. E. Road because of the need for a more efficient road system. The Wagoner Road is being urged to take over the L. & N. E. Road because of the need for a more efficient road system. The Wagoner Road is being urged to take over the L. & N. E. CYCLONE BLOWS SCHOOL DOWN ON CHILDREN

Relief workers clearing up the ruins of a school house and residences at the hamlet of La Plata, Maryland, where a cyclone claimed 17 lives and injured a score. The school collapsed on the students, who comprised the majority of victims. Upper view: shows complete destruction of a house next to school; lower view, ruins of the school.

LARGE NUMBER ATTEND EVANGELISTIC REVIVAL

Rev. H. Vom Bruch Preaches Evangelistic Sermon at Calvary

A filled audience heard the sermon preached by Rev. Harry Vom Bruch, evangelist, at Calvary Evangelical Church last night on the subject "God's Challenge to Calvary Church." The number in attendance has increased each night as the revival progressed. Rev. Vom Bruch chose his text from 2 Cor. 5:14, "If My People, which are called by My name shall humble themselves and pray, seek My face, and turn from their wicked ways, then I will hear from heaven, forgive their sin and heal their land." The musical program was in charge of Harry W. Clarke, vocalist and Miss.

MRS. LODISA WILCOX, 63, IS VICTIM OF CANCER

Death Follows Three Years' Illness; Funeral To Be Held Sunday

Mrs. Lodisa Wilcox, 63, died at 3:15 o'clock this morning at her home, 1119 Cheney av. Her death followed a three years' illness of cancer. Mrs. Wilcox was born Feb. 8, 1863, at Paxson, England. Black Cat Nearly Puts End to 110-Hour Endurance Attempt of "Tireless Bud"

BY L. L. BUCHANAN

A black cat, a speeding car and a tired driver fighting

the situation nearly put an end to the endurance automobile attempt of "Tireless Bud" Bradley. The car, a 1926 Buick sedan, cost \$1,100, and the driver, "Bud," is a 21-year-old son of J. L. Price that he was driving the car for his own amusement.

"Bud" was driving the car for his own amusement. The car was a 1926 Buick sedan, and the driver was a 21-year-old son of J. L. Price. The car was driving for his own amusement.

heard in the road. "Bud" saw it and raised his eyes with his hand on the wheel. The car was driving for his own amusement.

Tries To Dodge

The cat arched its back when it saw the big blue car bearing down on it. With a great jangling of the chain with which he is manacled to the wheel, "Bud" pulled the car to the side of the road, meanwhile applying his brakes with vigor. As the heavy machine ground almost to a standstill the large black animal sprang into the thick.

"By gum, she crossed our path," "Tireless Bud" grunted.

Turning to his companions the driver asked:

"Shall we turn around and go another way?"

"No," echoed the trio in unison. And then one of his companions added:

"Who's afraid of a cat unless it's spotted and a tiger?"

"Tireless Bud" drove on. During the visit in Prospect "Bud" was very much awake.

Prospect Reception

Reaching that town shortly before the High School was dismissed the big Buick did an ever forward-backward patrol in front of the building.

Like the scene in the "Pied Piper" Prospect's youthful seekers after knowledge came pouring out of the buildings to hear selections over the Van-Bur radio. It was the cow horn that brought them rushing pell-mell from that institution of learning.

The 300 youngsters in the school, yes, and a majority of the teachers crowded about the car.

It was like the arrival of the homecoming hero.

Boy and girl students alike addressed the dauntless endurance driver as "Bud."

They wanted to know how tired he was, how long he would sleep after his 110-hour driving test, how he kept awake and if he expected to

win the \$1,000 wager with Mr. Price.

"Bud" smilingly answered each query, and then drove to the central garage where he "rassled" looking-chair fashion.

Before the journey to Prospect "Bud" visited the Finckel & Issler dairy farm for his five fingers of milk.

Something rather amusing occurred there.

Horn Attracts Cows

When "Bud" turned into the long lane leading up to the large white dairy barn he sounded his cow horn. Up from the pasture came a galloping herd of Jerseys. They clustered about the machine, seeking to discover the source of the "mooings."

While "Bud" rocked back and forth with the machine drinking the milk the cows nosed about the car, eyeing it suspiciously.

When the machine pulled out of the barnyard the herd followed it to the gate. The horn sounded again and again and the cows answered call for call. This continued until the car disappeared over the crest of a hill.

Visits Green Camp

"Bud" in his afternoon drive first visited Green Camp. He drove slowly around the town working the horn, summoning the villagers to the open.

After driving through the village to the school house "Bud" turned around and retraced his course down through the principal street. The horn had done its work for clustered in front of the main stores and peering from windows were Green Camp's curious citizens.

After several selections on the radio "Bud" again took to the rolling country along the River- and continued his afternoon program.

MISS VIRGINIA KNAPP AT QUEEN MARIE RITES

One of Students from The Castle Attending Function in New York

Miss Virginia Knapp, daughter of Mr. and Mrs. George B. Knapp, Venable Heights, student at Miss C. E. Mason's School, The Castle, Tarrytown-on-Hudson, was among the pupils from the school attending functions given for Queen Marie in New York City recently. Other Ohio girls attending the affairs were Miss Katherine Detmering of Canton, Miss Lottie Elwick of Cleveland, Miss Wilma Elmann of Cincinnati, Miss Dorothy Robie of Cleveland, Miss Dorothy Nelson of Columbus, Misses Mary and Ann Jean Stevens of Columbus, Miss Dorothy Roof of Akron. The festivities included a banquet, the gala performance at the Metropolitan Opera House and the entertainment for the Princess Helena.

Miss Mason, principal of the school, was appointed one of eight ladies to be hostesses to the queen during her stay in New York City.

G. O. P. CHIEFTAINS PLAN TO BATTLE DEMOCRATS

Will Mete Out Same Treatment if Vane and Smith Are Barred

Washington, Nov. 12.—An unique defense against the Democratic threat to bar Senators-elect William S. Vare of Pennsylvania and Frank L. Smith of Illinois from taking their seats in the senate, was being considered today by administration leaders.

Fearing the Democrats may gain control of the senate in the seventh congress by disbaring Smith and Vare on the opening day, administration chieftains are considering a plan to mete out the same treatment to at least two newly-elected Democrats.

If the Democrats carry out their threat and the Republicans are able to retaliate, the latter still would retain control of the new senate by the single vote margin. The issue then would be 46 Republicans, 45 Democrats and one farmer-laborite.

The Republicans, however, face stiff opposition before they can retaliate. First, they must establish contests against several Democratic senators-elect, and second, they must command sufficient votes in the new senate to bar three new members until the Smith and Vare cases are disposed of finally.

As the Democrats have control of the "holdover" senate—which is that portion of the membership not up for reelection this year, plus the short-term senators elected last Tuesday, who take office at once—the Republicans have all the odds against them. The "holdover" senate lines up with 34 Democrats, 29 Republicans and one farmer-laborite.

HERE'S MORE ABOUT COURT ATTITUDE

STARTS ON PAGE 1

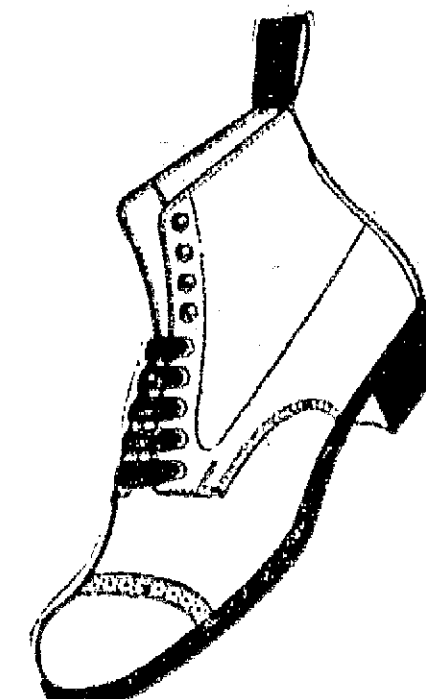

We could legitimately object as a government. President Coolidge's remarks about the armistice ending the war are emblematic of the attitude which the administration has regarding the necessity of dropping recriminations between nations.

"As to America's part in the war, Mr. Coolidge is perfectly right in taking the attitude he has adopted, while his criticisms of Europe are unanswerable."

"Great Britain is not surprised by President Coolidge's announcement that America is through with the World Court unless the senate's reservations are adhered to," he continued.

"The announcement regarding the World Court doesn't take us by surprise," the official said. "We have

local, Belgian, civic and patriotic bodies and other organizations were present at the celebration. The parade was represented by large delegations. The procession was in three divisions, each headed by a band. Leading the first division was the American Legion band, followed by the band of the Marion Steam School (No. 10). The band of the Marion High School band headed the second and third divisions. The Legion Drum Corps was also in the line of march.

Major George T. Gorman, served as Grand Marshal and his staff of aids consisted of Walter E. Howe, Fred Berg, Paul Knappenberg, J. W. Llewellyn, L. K. Warner, L. Don Jones, G. V. Paschal and Harry Baker.

War Songs

Singing of the World War songs and national anthems by the audience under the leadership of the Legion and the band of the Marion Steam School (No. 10) and the band of the Marion High School under the direction of Howard M. Temple, superintendent of music in the public schools, constituted largely the program of the celebration. The songs were sung with enthusiasm and patriotic fervor throughout the ceremony at the star auditorium.

Included in the program in which the audience participated were "America," "The Star Spangled Banner," and "The Star Spangled Banner," in which the audience sang. "The Star Spangled Banner" was sung by the girls' club and "God of Our Fathers" by the boys.

Dr. Mahon Speaks

The address by Dr. Mahon, who has been engaged as the principal speaker for the day's program after having been recommended by one of the most capable orators in the ranks of Ohio statesmen, measured up fully to expectations. His half-hour discourse was one of exceptional eloquence and logic, dealing with war, its causes and consequences, and also with the duties of American and its citizens. Spiced with a number of amusing anecdotes, the address brought Dr. Mahon's unusual ability as an entertainer as well as a profound thinker into play, and held the closest attention of his audience throughout.

Dr. Mahon spoke first regarding the utter futility of war as it is conducted in these days of modern destructive tactics. There was a time in years gone by, he stated, when certain rules were observed by combatants which tended to lessen the severity and horror of armed conflict, but these rules have been abandoned.

Don't Let a Cough or Cold 'Go Down'

If you let a cough get down into your bronchial tubes or lungs, it stops being merely a nuisance and becomes a real danger.

A "head cold" is only a bother while it stays in your head. But once it gets down into the danger zone, serious trouble threatens.

Act promptly to check the cough; to keep the head cold from "going down." Sure and lasting relief is as near as the nearest drug store.

Quickly and unfailingly Ayer's Cherry Pectoral goes straight to the seat of danger. Ideal medicine, reaching deep with its soothing, healing power, penetrating through and through the irritated membranes of your throat and bronchial tubes.

If you are catching cold; if you have a "head cold"; if your chest is tight; if you have a cough—even if bronchitis has developed—Ayer's Cherry Pectoral at once! Keep your cold from going down into the danger zone.

Cherry Pectoral is pleasant, safe and dependable—for children and grown people. At all drug stores—60c; twice as much, \$1.00. 1b43b

Lawless Menace
Prevalent disregard of law in America was referred to as a serious menace to character and peace in this country.

"America must put its house in order that tomorrow may be all that it should be," he declared. "Inventors and scientists have conceived wonderful things for world progress but their achievements do not tend to improve the character of the world. That must be done by the people themselves."

The program at the auditorium started shortly after 7:30 o'clock, immediately following the parade, with a brief introductory talk by Chairman Llewellyn, who referred to the meaning of the Armistice Day celebration and stated that while it was an occasion for rejoicing, it was at the same time intended to promote the spirit of peace.

could still be driving at 2 o'clock Saturday afternoon without taking a single rest.

Bradley himself, while determined to stay at his post as long as he remains conscious, is highly skeptical regarding his chances of safely completing his drive.

His right arm, which was painfully injured in an accident the morning after the drive started, is causing him untold agony and suffering. Efforts to relieve the numbness of the member by massaging was effective up until last night. Since the numbness has continued to grow and is affecting his whole right side, making the use of his right arm in driving a vicious torture.

Without sufficient strength to keep the four foot chain from the handoff on the left wheel to the steering wheel from becoming tangled, "Bud" was having difficulty in avoiding accidents. Shortly after daylight this morning, a time when he experiences the worst attacks of drowsiness, he had a close shave with a street car and on two instances nearly crashed into automobiles leaving places at the curb because his vision is becoming blurred from eye strain.

Every precaution is being taken for the safety of pedestrians and other motorists. Those accompanying Bradley constantly instruct him as to traffic conditions and he is really driving more by ear than by sight.

Paying no attention to those who sought to advise, "Fearless Bud" started out to follow the driving schedule announced in yesterday's Star. He is being greeted by larger throngs at each succeeding visit. Audiences never get little response today from the driving act, in his suffering, he neither saw nor heard them. Telephone communication was established this afternoon with points along Bradley's route in order to keep in constant touch with his activities.

Every arrangement for the successful completion of the drive was given for announcement again today. Although unshaken in his belief that Bradley will collapse before the finish time, J. L. Price intends to treat his rival in the most approved sportsmanlike manner if the 110-hour stretch is finished. In order to get him out of the reach of the vast throng that will gather at the finish line in front of Schaffner Furniture Store at its new location, Church and Main-sts, a Merchants' Transfer truck will be used for a platform and Bradley will drive onto it. He will be lifted from the driver's seat and placed in Schaffner's ambulance and conveyed to the offices of the Marion Buick Co. and placed in a Simmons bed in the display room. It is expected to have sufficiently regained his strength by 8:30 o'clock Saturday night to appear on the stage at the Grand theater and admit at 10:30.

The opinion of all who have followed the progress of the drive in the daily accounts is that Bradley will end his attempt either in the ditch or in an accident after collapsing from fatigue. In that event, the Schaffner ambulance will be summoned immediately to the scene.

Following the program of songs by the audience and the High School Glee Club, prayer was offered by Rev. E. L. George, pastor of Epworth M. E. Church.

An important entertainment, not included in the original program, was presented by members of the 40 and 8, a branch organization of the American Legion, who marched about the hall and provided several minutes of amusement for the audience.

Chil Women Honored

Jesse H. Mason, spoke briefly in introducing Dr. Mahon. In connection with his remarks he paid tribute to veterans of the Civil War and invited members of Cooper Post, No. 117 of the G. A. R., to stand for presentation to the audience. About a dozen of the white-haired veterans arose and were greeted with a prolonged outburst of applause.

Following Dr. Mahon's address, John H. Clark, local attorney spoke on the subject, "Why Should a World War Veteran Belong to the American Legion?" He stressed the importance of every man who was in the ranks during the war becoming affiliated with the Legion, saying that the country needs the service and protection of an organization of that kind.

The program closed with the audience singing "The Star Spangled Banner" and after the singing of 10 minutes, the day's celebration wound up with a community dance lasting until midnight.

Music by McNeal

An orchestra directed by L. B. McNeal played throughout the entire program in connection with the songs and the dance. McNeal had charge of arrangements for all music planned for the celebration.

In his opening talk Thursday night, J. W. Llewellyn, chairman of the American Legion committee which planned the Armistice Day celebration, expressed thanks to the numerous local organizations which cooperated in helping make the event a success. The response to invitations sent out by the Legion to interest lodges and other organizations in the undertaking was amazing. The chairman stated, and proudly gazed at the decorated hall with flags and bunting with the Stars and Stripes predominating. Flags of the Allied nations associated with America in the World War were suspended on the north wall of the room.

A Mirror reporter, to Middletown to see Joseph A. Farned, the Heritown expert, to get a story in connection with the case. He said that he expected the official records of Willie Stevens' fingerprints would be taken to Middletown but he did not know they were taken by Mayer or anyone else. McCarter asked the editor how much money New York Mirror spent on their investigation shortly before the arrest of Mrs. Hall. McCarter sought to bring out that the first "break" in the story was when Arthur S. Ried brought suit for annulment of his marriage to Louise Geisel Ried, former maid in the Hall home, and that an attorney for the corporation which employs him drew up the petition for the annulment. Simpson interrupted with an objection, shouting:

Barbara Tough, the chatty Scotch woman, who for seven was Mrs. Frances Stevens Hall's personal maid, was recalled to the witness stand when the trial was resumed this morning.

BLOOD TRANSFUSION FOR MRS. GIBSON

Jersey City, N. J., Nov. 12.—Mrs. Jane Gibson underwent a blood transfusion operation this morning in the Jersey City Hospital.

The star witness for the prosecution in the Hall-Mills murder case was placed on an operating table beside the witness stand, from whom the blood was drawn. Dr. Charles B. Kelley, one of the attending physicians, denied reports that Mrs. Gibson had suffered a collapse.

"A blood transfusion was made to correct the condition of, moderately severe secondary anemia," he stated.

Rid Me of Piles

Suffered For Years; Says "The Only Remedy That's Any Good"

John O'Leary, 297 North Division Street, Buffalo, for 11 years Supervisor of the Second ward, wants to pass the good word along.

"Take it from me," says Mr. O'Leary, "when you suffer torment with piles for many years as I did, and tried all kinds of remedies without any success, you'll be glad to say a good word for the only remedy that is any good."

Peter's Ointment rid me of piles so quickly that I was astonished. I felt somewhat pained, however, to think that I had suffered so many years before knowing what a wonderful remedy Peter's Ointment is. Let me thank you from the bottom of my heart."

Cinnamon Toast—Toast one side of bread under broiler in gas oven. Spread other side generously with butter and cover with a mixture of sugar and cinnamon. Place under broiler until sugar is melted.

Bran Cookies—Two cups sugar, one cup shortening, two eggs, one teaspoon salt, one teaspoon soda, one teaspoon cinnamon, two teaspoons nutmeg, one teaspoon vanilla, one cup raisins, one cup sour milk, three cups bran, three cups white flour. Nuts may be added to or substituted for raisins.

Stuffed Meat Loaf—Take two pounds ground veal, one-quarter pound ground salt pork, salt and pepper to taste, add one egg and mix together with hands. Make a tasty bread dressing, using one egg, that it may hold its shape. Put meat mixture on a waxed paper. Spread thickly with the dressing, bringing meat up around the dressing as much as possible. Lift the paper and turn contents upside down in a greased bread pan. Smooth into shape, cover with a strip or two of bacon and add a little water. First seal brown in a high temperature (450 degrees), then bake in a slow oven (250 degrees) for two hours, basting occasionally, and adding water if necessary. Serve either hot or cold.

MARIETTA JANITOR TELLS HOW HE MADE A CLEAN SWEEP

Charles Seever, 217 South Sixth St., Marietta, is janitor at the Hippodrome theatre. Recently he said, "I am used to sweeping, but I never did a better job of sweeping than when I started to take Tepee Herb Tonic. Tepee certainly swept all my ills away."

"Before I took Tepee I was troubled with constipation and indigestion. After eating, gas would crowd up around my heart until I would think I was going to smother. My food laid like a rock in my stomach. My stomach burned and felt sore. Every morning I woke up with a headache. I also had a lot of trouble with my kidneys, and often I would have to get up several times during the night on account of kidney activity."

"I had a very sharp pain in the small of my back. Every time I moved it would catch me and feel like a knife sticking in my back. I couldn't sleep soundly and when I got up I felt tired and worn out."

"I read so much about Tepee Herb Tonic in the newspapers that I decided to try it. I have now taken two bottles and I feel like a different man. My bowels are regular and I don't have any more headaches. I have a good appetite and I can eat anything and everything."

"My kidneys are acting right and when I go to bed I usually sleep the whole night through. The pain is all gone from my back and my work does not tire me as it formerly did."

"It gives me pleasure to recommend Tepee Herb Tonic."

Consider well what Mr. Seever has said. His experience ought to help you. He tells how Tepee relieved him after many years of suffering."

Tepee Herb Tonic may be had in Marion at Bradley's, Henney & Cooper's, Wm. M. Stump, Bartlett's and all drug stores. Richmond, H. D. Kyle—Adv.

Upper Sandusky Gridders Supreme in Scoring 25-0 Victory Over Bucyrus-Hi

Crawford County Outfit Makes Error in Starting Game with Majority of Second Stringers in Line-Up; Fleck Furnishes Biggest Thrill with 40-Yard Dash

Upper Sandusky, Nov. 12.—Bringing her number of victories this season to five, the Upper Sandusky High School football team won from the Bucyrus High School team by a score of 25 to 0 at the Armistice Day game Thursday afternoon.

Thinking that Upper Sandusky was an easy opponent, Bucyrus started the game with their second team with the exception of one man, but before the first half was over had run in numerous substitutions.

Time and again Bucyrus had the ball but could not gain. Upper tried a number of unsuccessful end runs always being forced off the side of the field.

The one sensational play of the game was a 40-yard run by Fleck ending in his placing the ball behind the goal post for the second touchdown. Deserving of mention was the playing of Fritchie, a player who has developed remarkably since last year. Time and again his end runs have been bringing them nearer to their goal. Straphy who has been out of the game with a broken collar bone, sustained in the fracas with Ada several weeks ago, was again on the field Thursday and came through with some good gains.

The game was not an easy victory

for Upper's team. They were up against stiff opponents and were forced to put every ounce of tact and wisdom in their handling of the ball.

Routes on both sides cheered lustily as the teams came on the field.

First Quarter

Upper kicked off, Bucyrus taking the ball but failing to make progress punted the fourth down to Fleck who caught the ball on the 10 yard line and ran the eight yards before being downed. The Bucyrus continued the march down the field and within a few minutes from the start of the game Bucyrus carried the ball across the goal line for the first touchdown. Fleck successfully kicked for the extra point making the score 7 to 0. The remainder of the quarter neither team was able to score.

At the beginning of the second quarter Bucyrus has possession of the ball, fought hard but was unable to score.

The half ended 7 to 0 in favor of Upper Sandusky. Bucyrus kicked off at the start of the second half to Upper Sandusky who received the ball on the 20 yard line and ran 15 yards before he was stopped. In the next play Fleck, catching pass from Bauer made a sensational 40 yard run for a touchdown. Upper failed to make extra point.

Fourth Quarter

At the beginning of the fourth quarter Bucyrus had the ball on their own 45 yard line. Bucyrus (bumped) Paul Bauer, who was able to score. In the play that followed Fritchie took the ball on his 40 yard line and ran around the left end for the third touchdown of the contest. Upper again failed to make their extra point. After a series of plays Bauer, following splendid interference, plunged across the line for the last touchdown during the closing minutes of the play. Upper did not make point having passed for tie. Games ended with the ball in Bucyrus hands on their 40 yard line. Score stood 25 to 0 at the close of the game.

Last year Bucyrus and Upper tied their game by a 13-13 score.

Lineups for the two teams were:

Bucyrus—L. E. Myers, L. T. Schler, L. G. Melcher, C. Love, R. G. Davis, R. T. Koch, R. E. McKinley, L. H. Rein, R. H. Saffel, C. Monnet, P. J. Baker.

Upper—L. E. Kraus, L. G. Everhart, L. T. Roth, C. Rittersbach, R. G. Meiner, R. T. Pool, H. E. Voelker, L. H. French, H. D. Fritchie, Q. Fleck, P. H. Bauer.

Officials were Scott and Little of Marion. Weimer, this city, was head linesman.

PLEA FOR WORLD PEACE MADE BY KENTON ORATOR

W. W. McCoy, Mechanicsburg, Delivers Address at Annual Armistice Day Observance

Kenton, Nov. 12.—Establishment of some effective plan as a safeguard against future wars, constitutes the greatest problem facing the world today, said Mr. McCoy, Mechanicsburg banker and lawyer and veteran of the World War, declared Thursday in addressing the annual community Armistice Day celebration here.

"Courts throughout the country settle disputes arising between the nations of the world," said Mr. McCoy, "but why can a similar system not be set up to adjust differences arising between the nations of the world? To have world peace there must of necessity be peace among ourselves."

A ringing plea for a greater spirit of Americanism and greater obedience to the established laws of the country, was sounded by the speaker. "Too many citizens obey only those laws that might benefit them," he said, "and they are not aware of the fact that the laws of the country are the laws of the world."

Mr. McCoy said, has attained the rank of leader among the nations and in her exalted position must point the way to world peace.

Carl W. Smith, past commander of Kenton Post of the American Legion, was chairman of the Armistice Day program honored by more than 1,500 people. Veterans of the Civil, Spanish-American and World Wars attended in a body.

At the conclusion of the public gathering, Attorney McCoy addressed the Father and Son banquet meeting of the Kenton Kiwanis Club in Elks house.

J. H. NEWMAN SPEAKS AT GALION OBSERVANCE

Activities in Town Cease for Two Minutes at 11 O'Clock

Galion, Nov. 12.—Hon. John Henry Newman of Columbus was the principal speaker on the program of Armistice Day events. Mr. Newman addressed the students of Galion high school at a patriotic morning chapel program and spoke to the citizens of the city in the afternoon at Hulse park.

The festivities of the day began at eleven o'clock when bells and whistles proclaimed that the hour of the signing of the Armistice had arrived and for two minutes, work was suspended throughout the city as a memorial for the boys in khaki who did not return from the battlefields. At that hour students in all the public schools met in their assembly rooms and listened to ministers of the city's churches and prominent legionnaires deliver patriotic speeches.

At 1:30 the parade in charge of American Legion officials marched through the principal streets. The High school band led the march and ex-service men, Boy Scouts, Girl Scouts, Combat Train members, G. A. R. veterans and school children were in the procession.

Hulse park was thronged with people who joined in the exercises and listened with interest to the numbers arranged by the Legion. The captured German gun which has been awarded to Crawford county was on display and was formally dedicated.

The observance was without the usual successful and best managed patriotic celebration held in Galion for several years.

Bert Kelley, Carpenter, Suffers Sprained Leg And Wrenched Back

Kenton, Nov. 12.—Falling more than ten feet from the roof of the building he was repairing, Bert Kelley, carpenter, sustained a badly sprained leg and a wrenched back.

Fellow workers carried the injured man to a physician's office several blocks away, where examination was made and medical aid given. The worker lost his footing when a temporary foot rest gave way.

OPAL TREASE WINS CHESTERVILLE CONTEST

Prince of Peace Declaration Program Held at M. E. Church

Mt. Gilead, Nov. 12.—Opal Trease, a senior in Chesterville High School, won first place and a bronze medal in the Prince of Peace elimination contest, held last evening in the Chesterville M. E. church. There were three contestants from the High school.

The program opened with singing American, followed by the invocation by Rev. Haynes, pastor of the church. The winner gave her declamation, followed by a piano solo by Zella Beales.

Vaughn Hathaway followed with his declamation and Edna Wright played a piano solo. Lela Kinney, who won second place, was the last contestant on the program.

Following the decision of the judges, the contest closed with the singing of "The Star Spangled Banner."

A bronze medal will be given the winner by the Ohio Council of Churches and she will participate in the county contest to be held at Mt. Gilead in December.

GRACE CHAPEL PLANS ANNUAL RALLY SUNDAY

Richwood, Nov. 12.—Grace Chapel M. E. church will hold annual rally day and home coming program Sunday. This will be an all day meeting, with the children's program immediately following the Sabbath School hour; the day will be featured by the basket dinner in the church dining room. Russell Rayliff, a student of O. W. U., will give the principal address, which will be followed by talks by visiting ministers. Music will be furnished by the male quartet. Russell Rayliff of O. W. U. will preach the sermon at Essex Church in the evening.

ELECTION COST TAXPAYERS 45 CENTS PER VOTE

Salaries Not Included; Total Cost Estimated Above 50 Cents

Cost of holding the election in Marion County on Nov. 2 averaged approximately 15 cents a vote, according to a total of expense bills now on the way to the office of the County Auditor. These expenses do not include, however, salaries of Election Board members, so that with this item included the percentage cost would probably amount to above 25 cents. Other minor items of expense were listed, this far may increase the average slightly.

Comparison of the cost per vote in the general election with the average in the last primary provides striking evidence that the primary system is an expensive proposition. Expense of holding the primary last August averaged \$1.45 a vote, the records show.

The total cost of the biennial balloting for state and county offices in Marion County, including both primary and general election, amounts to approximately \$12,000, officials charge of the county's 22 precincts. This means an average of more than \$1 a vote, 11,872 votes having been cast in the county on Nov. 2.

Expense bills filed for the Nov. 2 election thus far total \$5,732.20. The largest items included are \$1,221.75 for ballots and other supplies and \$1,100.00 for the pay of precinct officials and registrars in the city and the payroll for the rural precincts, amounting to \$1,122.

As a result of instructions received recently from the Secretary of State, who supervises elections in Ohio, all county Boards of Election in the future will compile detailed accounts of expenses to be filed annually at state headquarters. The report from Marion County will be prepared within the next few weeks.

SERVICES HELD FOR HENRY BORN

Aged Kenton Man Claimed By Diseases

Kenton, Nov. 12.—Funeral for Henry Born, 65, former resident of Kenton, who died at his home here of a long illness, with complications, was held Friday afternoon at the home of Mrs. E. E. Nara, 2000 1/2 street, of the First Reformed church.

Born came to Kenton with the parents when five years of age.

Later in life he established a retail shoe store which he successfully managed until his death several years ago. His business career extended over a period of more than thirty-five years. A brother, Edward Born, Kenton, and one sister, Mrs. Elizabeth Jones of Marion, survive.

Funeral services were held at the home of Mrs. Born on Wednesday night at 8 o'clock. The Rev. J. B. Shellhans, pastor of the First Reformed church, officiated. Burial was in the cemetery.

HELEN SEEBACH NAMED PEACE CONTEST WINNER

Chosen To Represent Reformed Church in Wyandot County Contest

Upper Sandusky, Nov. 12.—Miss Helen Seebach was awarded the bronze medal in a Prince of Peace Declaration contest held Wednesday night at the Trinity Reformed church.

Miss Seebach chose as her essay "Peace Through Justice." The two other contestants were Miss Virginia Bahl who spoke on "American at the Crossroads" and Miss Frieda Steinhilber who delivered an oration on "Christian Patriotism."

Miss Seebach will represent the Reformed church at the county contest which will be held before December 1.

This is the second year for this event. It being very successful, it will be held again next year. A bronze medal is provided by the Ohio Council of Churches for the winner in each local church that has three or more contestants of the ages from 14 to 18 years. A silver medal is then awarded to the winner of the county contest and a gold medal to the one ranking first place at the congressional district contest.

Judges of the contest Wednesday night were Charles P. Troup, D. M. Newcomer and Daniel Reynolds.

SCHOOL DISTRICTS RECEIVE STATE AID

Payments Made On Claims Prior To Present Year

Marysville, Nov. 12.—Four School Districts of Union County have received payments of state aid money. The payments were for back claims prior to the present school year.

Thursday, County Superintendent J. A. Vealey received from State Director of Education Vernon M. Ringle, the following payments which will be turned over to the clerks of the districts, named: Magnolia Springs, \$100; Dover Rural, \$300; York Rural, \$900; Mill Creek Rural, \$1,000. This will be a great help to these schools which have had some difficulty in meeting operating expenses.

TOOLEY OPERA CO. TO APPEAR AT MT. GILEAD

"The Mikado" Is Most Costly Number on Legion Lyceum Course

Mt. Gilead, Nov. 12.—The second number of the winter Lyceum course, being put on by the local American Legion post, will be given Wednesday evening at Levering Hall. The Tooley Opera Company will present the popular opera, "The Mikado."

"The Mikado" is the most costly number on the course and is the biggest attraction presented to Mt. Gilead theater goers for many years. The company has been together for several seasons and is well qualified to properly interpret this opera.

The American Legion Committee in charge of the Lyceum course, unreservedly recommends the Tooley Opera Company to the public and urges all to hear it. Season tickets have been reduced to \$1.25 each and good for the remaining numbers. Tickets are on sale at the Lyceum store.

TWO VICTIMS REPORTED IN UNION COUNTY

No Trace of Source Available to Health Authorities; Survey Made

Marysville, Nov. 12.—Union County health authorities are taking a precaution to prevent the spread of scarlet fever and the dreaded diphtheria, both of which have made their appearance in various parts of the county. Already death has claimed two victims by diphtheria, one at Hahala and the other at Plain City, south of here. At Hahala there is another case of diphtheria, Gerald Cleveland, who is under treatment and improving.

Dr. H. C. Southard, County Health Commissioner, and Miss Olive Starn, health nurse at Richwood, made a survey of the schools of Hahala. They found that the carrier was a little girl who was immediately placed under treatment. There is also a case of diphtheria at Plain City, south of here, who was given anti-toxin and is on the road to recovery.

According to Health Commissioner Southard, an epidemic of black diphtheria is being feared in Plain City, following the death there the first of the week of Madeline Trees, and the illness of the child's mother with the same disease. The latter was reported, as out of danger yesterday.

The child on showing signs of illness was kept out of school, and three days before her death, two examining physicians pronounced her ill with black diphtheria. Although anti-toxin was administered the treatment proved of no avail and the child passed away a few days later.

The treatment was also given to all persons who came in contact with the Trees child and others who were exposed, are being kept from school and other places.

No trace of the source of the contagion has been found and no report has been received as to a possible way in which the Trees child contracted the disease.

On Wednesday of this week, Miss Elizabeth Schlegel, one of the County nurses, met Miss Cummins, of the Madison County Health Department, Plain City, and they together made complete survey of the schools there to find the carrier of the infection. The search they took was sent to the state laboratory at Columbus for examination and the results has not yet been received.

Scarlet Fever Alarm

The scarlet fever situation in Union county is giving parents and teachers some alarm, but the cases are all a mild nature so far. At Irwin, southwest of Marysville, there are eight cases and the schools are closed.

Near Marysville there are two cases of scarlet fever, these being the children of Mr. and Mrs. Dick Hamon on the Marion-Marysville road. One them, Donald, attends the Marysville Public Schools, but as soon as Mr. Hamon discovered the child was ill she kept him at home. The danger contagion was thus lessened.

HARD PIMPLES COVERED FACE

Itched and Burned. Face Painful. Cuticura Heals.

"My trouble began with pimples and blackheads that covered my face. They were hard and red and itched. During the warm weather they bothered me by itching and burning. I hated to wash my face because it pained so. My face was so sore and had so many eruptions on it that I hated to go anywhere. The trouble lasted about three months."

"I began using Cuticura Soap and Ointment and after using four cakes of Cuticura Soap, together with the Cuticura Ointment, I was healed." (Signed) Miss Helen Hickey, Rose Hill, Iowa, Feb. 11, 1925.

PAUL S. ALMENDINGER FILES SUIT FOR DIVORCE

Charges Wife with Gross Neglect and Extreme Cruelty

Charging gross neglect and extreme cruelty, Paul S. Almendinger today filed suit for divorce from his wife, Anne A. Almendinger. The couple were married Dec. 8, 1921, and have one child.

Almendinger asserts that his wife, a short time after their marriage began sulking and pouting and wanted many things which he could not afford to buy. Finally, on Sept. 29, 1925, she left him and remained away for two years, according to the petition.

In October, 1925, Mrs. Almendinger returned but after a short time again began sulking, finally leaving for good on Oct. 2, 1929, her husband declares.

Hold Hearing
A hearing on objections to the proposed improvement of the East River Cerdington rd in Richland Township, was in session at one o'clock today in the office of the county commissioners.

The road is to be improved with loose macadam. It is 4.11 miles in length and 12 feet wide.

ARMISTICE DAY OBSERVED AT HARDING HIGH

Assemblies Conducted by
Students with Special
Programs

Day was patriotically ob-
served at Harding High School yester-
day with two assemblies in
West Hall which featured
speeches, guest soloists in
appropriate numbers.
"Road to Housman" and
"Call Us Home" by Nina
She was accompanied at the
Miss Helen Beier.
The speakers opened the program
with the pledge of allegiance to
the flag and talks on the
significance of Armistice Day in
history. Miss Mary Alice Neal
spoke in Hall by Miss Mary J. Staf-
ford. "America Went to War" was
the subject of a talk by Robert Canters.

"The Field" was given by
the Gathers. Members of the
Harding High School Boys' Glee Club
sang in two numbers, "America
the Beautiful" and "God of Our
Fathers" with Robert Anken, club ac-
companied at the piano. Taps were
played by the buglers, Richard Parish
and Robert George.

Miss Elsie Brown, instructor, con-
ducted the singing of a group of war
songs in West Hall while the singing
of "The Field" by Miss Rachel McFae-
r was given in East Hall. The numbers
included "There's a Long, Long
Way to Go," "Pack Up Your
Tears," and "Keep the Home Fires
Burning" with printed programs con-
taining the words of the songs.

LEGION BEGINS DRIVE FOR MEMBERS ARMISTICE DAY

Announcement of Campaign
Made During Celebration
in Star Auditorium

A membership drive that is expected
to increase the enrollment of
the Marion Post, No. 62, of the
American Legion, was launched in
celebration with Thursday's Armistice
Day celebration. Formal announce-
ment of the campaign was made during
the program at the Star Auditorium by
W. H. Housman, chairman of the com-
mittee on arrangements.

Speeches show that there are approxi-
mately 200 World War veterans in the
Marion County and that less
than one out of this number are
members of the local Legion Post.

About So-called "Time-Payment Rugs"

The old custom, or practice, to sell only cheap rugs to
customers who wish to avail themselves of long-time
credit terms, positively does not exist in the Schaffner
store. We want to make that just as plain as we know
how.

If you intend to buy a rug on credit terms—why not
get a good one? It is better to extend your payments
a few weeks longer and own a rug that will please and
satisfy you, always.

Let us show you some of the new designs just arrived.
Let us show you a rug that will help to really furnish
your home as you want it to be furnished. The pay-
ing for it we will arrange to your entire satisfaction.

Out-of-Town Shoppers Note

Who Is Going Housekeeping?

You will have to "live" with the furniture you buy. It costs
too much to throw out if you don't like it a few weeks after
you have it in your home. Furniture bought wrong—
bought without good advice from some one who doesn't
take an interest with you in planning and furnishing your
new home—that kind of furniture often becomes an "eye-
sore." You become disgusted with it and with the store
that sold it to you. PLAY SAFE!

Patsy's Patter

Gossip and Guesses in the World of Sport

By Pat Murphy

IN another column on this page is a story which will cause the greatest surprise to baseball fans of any of the several managerial changes made in the big leagues since the season closed.

In giving Eddie Collins, one of the best, if not the best, second basemen of all time, the unenviable place of manager of the White Sox, owner Comiskey has thrown a bombshell into the sports world. Everyone was of the opinion that Eddie was more than making good as a player.

The naming of Ray Schalk to succeed Collins is not so much of a surprise. Since Eddie had to be succeeded by someone, Comiskey could not pick a better or more popular player than the one who had been the best of the bunch. His record shows him to be one of the hardest and most tireless catchers who ever wore the mask and pad.

Rumor has Collins as a successor to Lee Fohl at the head of the Boston Red Sox. It is extremely doubtful if the former Keyserling King will be allowed to drop out of the major leagues. He has too much good baseball left in him for that.

BENNY Friedman, quarterback of the Michigan Wolverines, is not in the football trade, actually or by proxy. A Detroit firm has been advertising itself as Benny Friedman, Inc., and rumors have been floating around the campus at Ann Arbor that Benny is cashing in on his football fame.

The Michigan football team made matters up with the Better Business Bureau and the prosecuting attorney at Detroit, and as a result of a friendly conference, Benny Friedman, Inc., will be known again as Garlick Arthur Florist Shop. The queer thing about it is that the owner of the shop, a 50-year-old merchant, is really named Benny Friedman.

EVERYTHING is now set for a tournament to decide who will succeed Louis (Kid) Kaplan as featherweight champion of that part of the world under the jurisdiction of the New York Athletic Commission. (This august body met this week and put its official seal on the tournament, expected to take part are Chick Suggs, the colored flash; Denny Bass of Philadelphia, Red Champion of Boston, and "Honey Boy" Finnegan of Boston. At the same meeting the commission told Tex Rickard that the English flyweight, Eddy Clark, had better go and get a reputation before Tex matches him with Fidel LaBarba for the flyweight title.

THE breakup of the eastern "Big Three" apparently has not hurt the sale of tickets for Yale's games with Princeton this week-end and with Harvard later in the season. The report that tickets for these games had been returned have been emphatically denied by Yale Athletic officials. Instead, the ticket sellers report that the demand far exceeds the supply.

The longest run to touchdown from scrimmage in "Big Three" games, 19 yards, was made by Slagle of Princeton against Yale in 1925.

Coach Compton Issues Call to Harding Cagers

School Without Regular Around Which to Build This Years Court Squad

Graduation Takes All but Three of Last Season's Lettermen; Rinnert, Garrett and Gillis Back To Form Nucleus of Team

FIRST basketball meeting of the season for Harding High will be held tonight.

Coach "Baldy" Compton, former Wittenberg star is expected to appear.

Basketball practice will begin Monday night. The first few sessions will be held on the Harding High court but after Thanksgiving Day many of the practices are scheduled for the Star Auditorium, where the locals will play all home games.

A number of the members of the football squad will go out for basketball immediately after the close of the grid season on Thanksgiving Day and Coach Compton hopes to have those who are not playing football in line shape by the time they are joined by the toughest footballers.

For the first time in many years, Harding High faces a season without a regular from the preceding year. Only three letter men remain in school and members of that trio were second stringers last season. Every regular of last year's varsity is graduated.

The three letter men remaining are Joe Rinnert, center; Orville Garrett, forward, and John Gillis, general utility man last season.

Rinnert Experienced
Rinnert saw action on many occasions last year and has been trained to step into the ring and be the first to touch the ball. His defense work was excellent last season and his headwork was a credit to the team. Joe is playing tackle on the football team and will be in the "pink of condition" for the basketball game.**Orl's Career**
Orl Garrett early in his career earned the name of "Wildcat". He is not a sophomore but was imported from Central Junior High last year and is the first Freshman ever to make a letter at Harding. He specializes in dropping the ball through the hoop. "Orl" is now engaged in looking down a hole in position on the grid team and will be all set for a rip-roaring basketball season.**Johnny Gillis** was noted last year for his fast footwork and accurate shooting. He is a Junior this season and will be one of the first to appear for action next Monday.**New Material**
With the exception of these three men, the entire Harding squad will be composed of all new material. Coach Compton will have one of the biggest jobs ever facing a coach in Marion when he endeavors to turn out a winning squad.

Harding High has boasted an excellent cage crew for several years and has established many records in basketball. Last year with a team composed of Geisler, Johnson, Key, McWhorter, and Lincoln, Harding romped over North Hill of Columbus, one of the best high school cage outfits in Ohio, in the first game of the season. It was an ideal bid for a successful season.

Only one great blot remaining on the basketball record of the local school last year. Drawing Delaware in the district tournament at the close of the season, Harding went down in defeat to the tune of 15 to 12 in one of the poorest exhibitions of basketball ever staged during the season.

No games for the coming season have yet been scheduled, but Harding is certain to meet Delaware, Ashland, Columbus High schools, and other Class A teams. The basketball curtain will rise for Harding about two weeks after Thanksgiving Day.

CHICAGO BUCKETS WANT GAME
The Chicago Buckets announce that they are willing to meet any basketball team in the 135 lb. division. The Buckets were runners-up last year in the Chicago Amateur League. Dave Braketa, 2078 S. Maycrest, Chicago, is manager of the light weight basketballers.

C., D. & M. AND Y-INDUS VICTORS IN PIN MATCHES

Divide Honors in Industrial Bowling Tilt at Y. M. C. A.

Y-Indus and C. D. & M. bowlers were victors in the Y. M. C. A. Industrial League matches last night.

Y-Indus men took the first two games from the Postoffice crew but were downed in the final contest of the match. Slagle was high scorer for the Y-Indus in every game, rolling scores of 165, 168 and 173 respectively. Compton led the Postoffice with 173 points.

The C. D. & M. men triumphed over the Penny and Hocking Valley bowlers in three games last night. This time was high man for the C. D. & M., scoring 160 points in a single game. Foster was high scorer for the Penny, H. V. men, rolling a score of 180.

Walsh Calls Notre Dame-Army Tilt Greatest Game of 1926 Season

By DAVIS J. WALSH.
NEW YORK, Nov. 12.—If such a game as this is to be the greatest of the season, it is a pity that it is not being played in the city of New York. The game between Notre Dame and Army, which is being played at the Yankee Stadium, is a game of the greatest importance. It is a game which will determine the champion of the nation. It is a game which will be remembered for years to come. It is a game which is the greatest of the season.

at the Yankee Stadium with Notre Dame and West Point as the principals. They are deservedly listed among the leading teams of the country. It is either or both has been getting on by a "front," this game will show it. If I was to suspect any one, it would be the Army.

It hasn't the soundest defense in the world and my opinion is that a smart team like Notre Dame will find the hole in the high but. In case I have failed to make myself clear, I think the Irish will win. So do the Irish.

Ohio vs. Michigan
It may be that some of these other unbeaten teams have been wearing a writer's "dickie" in the baguette. If so, the meetings involving Michigan and Ohio State, the Navy and Georgetown, Tennessee and Alabama, Stanford and Washington and Boston College and Haskell Institute may leave some high class folks feeling rather naked.

If it wasn't for the fact that Northwestern is very much in the running, the Michigan-Ohio State game would definitely determine the

winner of the Big Ten title. Michigan already has been associated with the Navy, but it showed last Saturday that it was on the way back and now anything can happen. I wouldn't attempt to call this one, in spite of the fact that Ohio State has been well rested and is "sharp" to go.

They probably are the two best teams in the conference, but Northwestern can hardly go wrong with only Chicago and Iowa to beat. Still it may be that Northwestern is picking up a live one in Chicago tomorrow, for the season doesn't exist in which Stagg fails to

make at least one winning gesture.

1926 Team of Destiny
The Navy I think is the 1926 team of destiny, and therefore, will take Georgetown like the cat to a piano. Florida should be a pushover for Alabama, but the winning rebound team of the South, Tennessee, will have to be as good as its record implies to lead off a greatly improved Vanderbilt eleven.

Stanford proved to be the best team on the coast when it came from the rear to beat Southern California, yet the Warner entry is not fast-paced defensively and

may be another of those outfits that are all "front." If so, Washington may furnish the upset, although I must admit that the latter doesn't look the part.

The truth about Boston College, which has beaten every one in general, but to one in particular, also may come to the surface during the game with Haskell. The Indians by long odds are the best team Boston College has seen this year. Somehow I fear for the worst here.

The same feeling might be lavished on the undefeated Brown team if it wasn't for the fact that

the writer witnessed Harvard's uprightness last week. Brown has enjoyed a surge since the Dartmouth game and should win.

And Princeton, Yale
Syracuse, a Colgate will furnish the annual drag-out, with the choice possible as the winner. Another good one will be Nebraska and Kansas Aggies with the Valley Conference title somewhere in the offing. I like Nebraska. However, Missouri should come back at the expense of Washington and remain right up in the race.

The Pittsburgh-W. and J. affair is another "natural" with the

presidents my choice, provided any one cares. New York University, another national contender would appear to have drawn a "breather." That is, provided New York University is as good as they say it is. However, there will be no location data unless the "Princetons," "Columbians" and "Cornell Dartmouths" meetings.

Oh yes, Princeton and Yale are to meet as representatives of what the comedians used to call the "Big Three." Watch this one closely. Princeton is a natural favorite. Yale has a fighting chance, but no more.

BISHOPS HONOR CAPTAIN INJURED IN LAST CONTEST

Pay Tribute to Raymond Bowers, Norwalk, in Hospital

NEWARK, Nov. 12.—Now that he has played his last game for Ohio Wesleyan, Raymond Bowers, Norwalk, is being honored by the Bishop of this year's football team. Bowers is in a local hospital, where he is being treated for a leg injury sustained in a game with Western Reserve.

Bowers, of course, is out for the remainder of the season. Since he is in the hospital, he will not be able to play again until he is well enough to return to the field.

Bowers has three years on the varsity. He has never been spectacular, but he has that quality all football players desire—consistency. Bowers could be depended on and his play on the line this season has helped to keep the Bishop forward wall in a good, unseasoned group to one

GEN. J. J. PERSHING WILL SEE GAME

Chicago, Nov. 12.—General John J. Pershing will be an enthusiastic spectator at the Army-Navy football game here Nov. 27, according to his own admission today. He will witness the famous service game from the box of his good friend, Vice President Charles G. Dawes, another Army fan.

"Dawes and I will be there rooting for the old Army, you can bet," smiled the famous "Black Jack."

of the strongest lines Wesleyan has ever boasted.

"The loss of Bowers is going to be keenly felt in our last game with Western Reserve and Denison," Coach Gauthier said. "He was an ideal guard. He was a leader. I give Bowers a lot of credit for bringing the end of his early season out until now it is tied with Ohio U. for the Buckeye Athletic association lead."

Gauthier will attempt to fill Bowers' place in the line with Henry Kofsky, whose injured knee kept him out of the important Ohio U. and Wittenberg games but who now is in condition to play. Leary, who replaced Kofsky when he was absent, will be retained at right guard.

Isalys Accept Challenge of Knights of Columbus to Play City Title Contest

Manager Marion Hinklin Answers Coach Silva; Game To Be Played in Star Auditorium Nov. 24, Night Before Thanksgiving

"We'll take 'em up!" That's what Marion Hinklin, manager of the Isalys Dairies basketball team, said today, in answer to the challenge issued Tuesday by Coach Silva of the Knights of Columbus.

Coach Silva challenged Isalys Dairies to a contest to decide the city championship, the game to be played in the Star Auditorium, Wednesday, Nov. 24, the night preceding Thanksgiving Day.

Manager Hinklin of the Dairies had already booked a game with the Fountain Drugs of Columbus for Nov. 24, but announced today that he has made arrangements to battle the Columbus quintet the following Wednesday, Dec. 1, and will take on the K. of C. five here on the date set by Coach Silva.

First Home Game
It will be the first home game of the season for both teams and will be the opener of the basketball season in Marion.

Coach Silva of the K. of C. quintet has announced that his men will be in mid-season form when they take the floor against the Central Ohio semi-pro champs. All of last year's men are back, together with some new timber, and promise to make of a regular battle on the opening night.

Isalys are practicing regularly two nights each week, using as their opponents the newly organized Midway crew. The same players that won the Central Ohio championship for Isalys will probably be seen in action in the first part of the contest.

Midway's Plans
In addition to the K. of C.-Isalys clash, the Midway quintet will take the court for the first time on Thanksgiving eve, when it connects with a visiting five in a preliminary contest to the city championship match.

The Midways have been organized

ASHLAND COLLEGE RUNS WILD AGAINST ANTIOCH
Ashland College football team celebrated Armistice Day by running wild over Antioch, 53 to 0.

The game was replete with long runs. Ray Novotny of Cleveland, fastest of the Flying Freshman, featuring with a 70-yard dash for a touchdown. A minute before his 60-yard run for a touchdown has been called back because of a penalty.

In the second half, Coach Rankin started sending in second stringers and by the final quarter every man wearing a uniform had seen action. In the last period, the third string men held Antioch for downs two feet from the goal.

BILL ROPER REGRETS BIG THREE BREAKUP
Princeton, N. J., Nov. 12—"Bill" Roper, coach of the Princeton football team, along with many others at Princeton, regrets the breaking up of the "Big Three" alliance.

"I am sorry to see the 'Big Three' broken up, but I never meddle with what the board of control does," Roper said.

"It's not up to me."

150,000 HEAR COOLIDGE MAKE ARMISTICE TALK

Jam Together in Solid Blanket on All Sides of \$2,000,000 Memorial

Aboard the Presidential Special, the route to Washington, Nov. 12—Numerically, at least, President Coolidge was returning to the national capital today from the scene of his greatest public triumphs.

Guaged by extent of vocal demonstration, Minneapolis and St. Paul, which he visited in June, 1925, will hold the call in the matter of presidential reception, but never has Mr. Coolidge—nor any other executive—addressed such a vast throng as was assembled Armistice Day in Kansas City, Mo.

Behind the president was a memory of massed humanity aggregating at least 150,000 individuals. They had jammed together in a solid blanket on all sides of the \$2,000,000 liberty memorial from which the president spoke and despite the chill of a winter wind they had listened attentively to his mild, but nevertheless positive denouncement of European politics insofar as relations with the United States are concerned.

Uneventful Trip

This estimate of the crowd was not taken on the word of partisan citizens, but, curiously enough, was arrived at in comparison with the throng that witnessed the Dempsey-Tunney fight in Philadelphia where the exact number of seats was known and where the people were crowded into a space which the vision could determine and remember.

The president's return trip thus far has been as uneventful as was the outgoing journey. Missouri and Illinois were left behind during the night. Today the special train crosses Indiana, Ohio and Pennsylvania. A quiet day was in prospect.

In the private car housing the executive and Mrs. Coolidge is a phonograph machine of the latest type where with they may amuse themselves. In the evening before the 11:30 o'clock arrival at Washington, they can look forward to another of the movie features placed aboard by Jack Connolly, personal representative of Will Hays.

NEW DRY AID MEETS ANDREWS

Washington, Nov. 12—H. H. White, newly appointed prohibition administrator for the Maryland and the District of Columbia, has arrived in Washington for a conference with Lincoln C. Andrews, assistant secretary of the treasury.

Yes!

A lovely skin

THAT'S what makes beauty—a lovely skin! A skin perfect in its texture—free from pimples, blackheads or blotches.

And how everybody loves to look at beautiful skin! How they admire the fresh, clean, healthy appearance a perfect skin gives!

And do you know what makes skin lovely? Well, it's healthy, rich, red blood. Healthy blood purifies the system—throws off the impurities that cause skin eruptions.

And S. S. S., that great blood cleanser and builder helps Nature make rich, red blood. You never have to worry with embarrassing skin blemishes when you keep your blood full of healthy red-blood-cells.

Take S. S. S. and have the beautiful skin that belongs to you. And while it's making your skin lovely, S. S. S. is giving you renewed strength and energy, too—building firm, plump flesh—increasing your appetite and making you healthy all over. It's the rich, red blood that S. S. S. helps Nature build that does it.

Get S. S. S. today. All drug stores sell it. Get the larger bottle. It's more economical.

2000 EDUCATORS OPEN SESSIONS IN CLEVELAND

Junior College Movement and
Training of Teachers Dis-
cussed Today

Cleveland, Nov. 12.—Two thousand educators, including 40 college presidents of the United States and Canada, opened the educational conference here today as a part of the centennial celebration of the founding of Western Reserve University.

The junior college movement and the training of teachers were discussed at the sessions today. Saturday, the educators will consider the problem of research and the training for research.

The junior college movement was discussed this morning by Professor Robert J. Leonard, of Columbia; William F. Boring, of the Pasadena, Cal., Junior College; Dr. Lewis W. Smith, of the University of Illinois; and Dean Carl E. Sorenson, of the University of Iowa. Newton D. Baker was scheduled to speak at the university annual dinner this evening.

Delegates will be guests of the university tomorrow afternoon at the football game between Western Reserve and Ohio Wesleyan.

Over a year in a trance, Miss Dorris Hinton, a young working woman of Nottingham, England, is beginning to show signs of recovery. She occasionally understands what is said to her, and she recently spoke a few words, but only to relapse into silence.

The Princesses Olga and Maria Sarratovsky, former members of the Russian aristocracy, now make their own living at laundry work in a peasant cottage in Switzerland.

RADIO

Four years ago radio meant as little to the average American citizen as do the theorems of Calculus. Today it approaches being a necessity.

POLICE BELIEVE KENTON CAR TAKEN BY MISTAKE

Loser Finds Similar Make of
Car Near Spot Where
He Parked

The man who makes the mistake of picking up some other fellow's hat from the hotel or church wrap-room and goes blithely on his way oblivious of his error, and the one who carries off the wrong umbrella

In the same fashion have a modern successor in the automobile owner who drives off in the wrong machine, according to a report on file at local police headquarters.

A message received from Kenton states that when the owner of a Studebaker Big Six sedan went to get his car at its parking place on a Kenton street, Thursday, the machine was missing and another of the same make had been left standing in the adjoining space. While it is possible that the car may have been stolen, Kenton authorities are of the opinion that it was driven away by mistake by the owner of the other machine.

Marion police recall a similar incident which occurred here several months ago, when a Mansfield man took possession of a Marion resident's car which he thought was his own. The mistake was not discovered until the autoist arrived in Mansfield.

Among Norway's successful business women is a girl of 18 who owns and operates a factory for making baking powder from a recipe that has been for generations a secret in her family.

Mrs. Bernice Bower of New York city, who follows the profession of lighting engineer, is said to know more about lamps and their uses than any other person in the United States.

The story is told of a certain woman prominent in New York society, who resembles a famous actress, that she copies nearly all the gowns which that particular star wears on the stage.

DEATHS EXCEED BIRTHS IN CITY IN OCTOBER

Registrar's Report Shows 42
Persons Died; 40 Babies
Born

Tuberculosis claimed eight lives in the city of Marion during October, according to the monthly report of Miss Esther Dickason, Registrar of Vital Statistics, completed Thursday. Apoplexy stood second on the list of fatal ailments, being given as the cause of seven deaths. Four deaths were due to pneumonia.

The stock failed in its monthly race with the Grim Reaper, the Registrar's report shows, births totalling only 40 while the deaths mounted to 42. This was the first time in six months that the stock failed to maintain leadership over its competitor.

The list of births includes 25 boys and 15 girls. Causes of death, in addition to those already listed, are as follows: heart disease, four; enteritis, six; cancer, three; uremia, one; influenza, one; typhoid fever, one; measles, one; scurvy, one; meningitis, one; peritonitis, one; miscellaneous, three.

TRINITY LUTHERAN BODY MEETS AT SEITER HOME

Mrs. John E. Seiter was hostess to members of the Trinity Lutheran Ladies' Aid and Mission Society Thursday afternoon at her home, five miles south of the city on Bethlehem rd., with a good attendance. Plans were made for a Christmas exchange party Dec. 9 at the home of Mrs. George C. Seiter, south of the city. Guests included Mrs. Harry Lehner, and daughter, Ruth, Mrs. Gilbert Benson, and daughter, Betty Jane, Mrs. Ernest Buehl and son, Mrs. Ed. Dunt and daughter, Mrs. Raymond Behner, Miss Mabel Behner, Miss Hazel Liechtenberger, Miss Pauline Seiter, Miss Gertrude Basler, Miss Esther Seiter, Miss Thelma Seiter, Miss Alfreda Seiter and Misses Isabel and Josephine Seiter. Luncheon was served.

Miss Violet Gordery, 23-year-old English girl, is the only one of her sex who has held official world's records for automobile racing. She still holds eight of them.
